### Importance of This Gathering

"Do not consider this Jalsa to be the same as the likes of any ordinary worldly gathering. Rather the case of this is such, that it is founded upon the pure support of truth and the propagation of Islam. The foundation stone of this community has been laid by Allah the Almighty Himself, and such nations have been prepared that will soon come and enter its fold. This is because it is the work of that All Powerful Being, for Whom, nothing is impossible."

(Ishtihar December 7, 1892)

### Aims and Objectives

"The key purpose of this convention, is to enable every sincere individual, to personally experience religious benefit, to broaden their knowledge and to deepen their understanding of Allah The Almighty, by the grace and opportunity given by \Him."

(Ishtihar December 7, 1892)

"This is one of the needs of this Jalsa that strategies for the spiritual well-being of Europe and America should be put forward. For this is now a proven fact that good-natured and sincere people of Europe and America are preparing to enter the fold of Islam."

(Majmooa-e-Ishtiharat page 340)

### Prayer for Participants

"I pray that may Allah be with all those who are travelling in order to attend this Jalsa for the sake of Allah and may He bestow great rewards upon them, show mercy to them, alleviate their states of trouble and tribulation and remove from them their hardships and sorrows. May He grant them freedom from all afflictions and enable them to attain that which they desire and raise them up on the Day of Resurrection amongst those to whom He has shown His mercy and grace, and so that He may be their protector till the end of the journey. O' Allah ! O' Bestower, Benevolent and Merciful! O Remover of hardships! Hear these supplications of mine and grant us victory over our opponents by aid of great and clear signs, for You are the possessor of all power. Ameen and Ameen once again. "

(Ishtihar December 7, 1892)
